Bob,

I wanted to let you know that I had a call with Doug Harris today. I let him know that we will be issuing the Veolia final permit today and I gave him the opportunity to enter into negotiations with us on modifications of this permit. I reassured him that I was hopeful that we can reach an agreement based on his discussion with you earlier today. He was grateful for the opportunity to discourse, but they were going to be busy the next 30 days preparing the appeal. After the 30 days, he would welcome the meetings. It was a very short call.

Thanks,

-Ed
